

Calling Lake Community Church: Update 2022

Merry Christmas my church family!!

I thought it might be nice to fill you all in on what is happening up at the Calling Lake Community Church. We have had a couple of bible studies so far, with people asking, and some receiving, new faith through Jesus and solidified their salvation. Very exciting!! We have had a very successful clothing exchange or donation give away which is always creating more chances to build relationships with the local people. We are continuing to move forward with the Food Bank hamper distribution for the time being, which has been essential with the meeting of so many great families in the community.

So, what does this mean moving forward into the new year. We will continue with the very successful bible studies. We will also be helping the Athabasca Food Bank with food distribution. We will be having a hymn sing and prayer night for the people of Calling Lake. A youth study is in the works and God willing will come to fruition as well. I'm looking forward to the upcoming year and all the blessings that we hope, and know, God will continue to provide for this ministry. We are grateful for the amazing support of the First Nations people of Calling Lake.

Blessing to you and your families!!
